GBC is uniting residents, community organizations, businesses and City, State and Federal agencies in order to solve safety issues and improve the quality of life in our Southern Brooklyn community. Thousands of caring volunteers removed over 1 million pounds of trash and eliminated thousands of graffiti tags from our parks, shorelines, waterways, streets, and bus stops.

GB Cares would like to request your help sponsoring the upcoming GB Games scheduled for Sunday, August 1, 2010. The GB Games is a Street Fair and Car Show on Gerritsen Avenue between Cyrus & Lois Avenues that is a day of fun and games for the entire family. We have activities where children can participate with parents and/or grandparents. It is a Family "Fun" raiser for the thousands of residents and friends that attend each year. (Please see the attached flyer for details.)

We hope your organization can provide a donation of a few hundred dollars this year. It will be a tremendous help to cover the expenses to keep the activities low cost or free for the participants.

Your organization is welcome to participate in anyway that you can. Maybe setting up a table to promote your organization or assisting with coordinating an activity. Please contact me to discuss the possibilities.

As always, any donation will be accepted and greatly appreciated by GB Cares and the GB Games participants.

We would like to thank you for your help and continued support .

Sincerely,

Michael Taylor

Event Chairman
